Hello QAAL members, partners, and friends,

Please enjoy this wonderful recap of our 25th anniversary celebration sent in by Maria de Cicco, a former QAAL board member.

Dearest friends,

Last night, we celebrated QAAL's 25th anniversary and what a celebration it was! From all of us in attendance a heartfelt « Thank You! » to the QAAL organizing committee for a wonderful evening. All around me I heard nothing but good words about the warm and gracious hospitality and the precious memories captured in Ms. Riva Heft's book as well as, the electronic photo scrapbook.

From the soft music playing in the background as we renewed old friendships and forged new ones, to the introductory words of welcome by the various QAAL board members, to the Lieutenant Governor's inspiring words, to the upbeat musical interlude featuring Ms. Lisa Walsh, to Ms. Heft's historical perspective of QAAL. It was a great experience and I am delighted to have been there!

For me personally, it was wonderful to reconnect with friends and colleagues like Riva and Malka, among others, and to finally meet Eunice and Kelly whom I have read extensively in the QAAL newsletters. It felt like being at a family reunion.

I feel, inspired and energized about QAAL's future and very fortunate to have been and continue to be a part of it. I am confident that QAAL will continue to thrive and with the involvement and collaboration of committed board members and friends of QAAL, QAAL can continue to make a difference in the lives of English speaking adult learners!

I would encourage you to keep celebrating the spirit of QAAL all year long! Once again, Bravo!

With great admiration and affection,

Maria De Cicco, M.Ed.,c.o.,CCC

Summer is the time when one sheds one's tensions with one's clothes, and the right kind of day is jeweled balm for the battered spirit. A few of those days and you can become drunk with the belief that all's right with the world.
