What are ILET and ILET Impact?

Mandate and Goals

- ILET, the Inter-Level Educational Table, was created by QUESCREN to **support Quebec's English-language education system** through research, and knowledge mobilization and educational initiatives.
- ILET Impact project amplifies ILET's work with the creation of **knowledge mobilization products** and a **website called ILET Hub**.
- ILET Hub facilitates access to research and knowledge on all levels of English-language education in Quebec.

Objectives

- **Ensure access** to effective, plain-language and evidence-based knowledge.
- **Raise awareness and understanding** for Quebec's official language minority and its educational ecosystem.
- **Connect** researchers, practitioners, decision-makers and stakeholders.
- Become a **catalyst** for future collaborations and partnerships.
- Have a tangible **impact** on educational policy in Quebec.
