- * 25** Centre-Ouest-de-l'Île-de-Montréal
NDG Senior Citizens' Council (NDGSCC)

* Network in development.

At the heart of the partnership approach are collaborative working relationships, where organizations achieve more by working together than working alone...without *synergy*, there is no partnership.

Put differently, one and one equals three!

J. Pocock, “Quebec’s English-speaking Community and the Partnership Approach of Its Networks in Health”, *Language Minorities and Society*, 2021.

CHSSN Intersectoral Partnerships

Successful partnerships improving access to health services and the health of marginal populations are intersectoral.

Key Role in Health Crisis

In the midst of the COVID pandemic, NPI partnerships remained stable and continued growing.

Elements of Success

- Expert in your territory
- Evidence-based decision-making
- Small steps
- Build trust
- Evaluate

Stages of NPI Partnership Development

2021 CHSSN Survey to Health Partners and Professionals

Do you feel that community health networks provide you with knowledge, skills and support in meeting the needs of the English-speaking community?

87% of health partners felt supported by NPI

93% of health professionals felt supported by NPI

The Partnership Approach

Thank-you!
