

# Community Learning Centres Models at a Glance

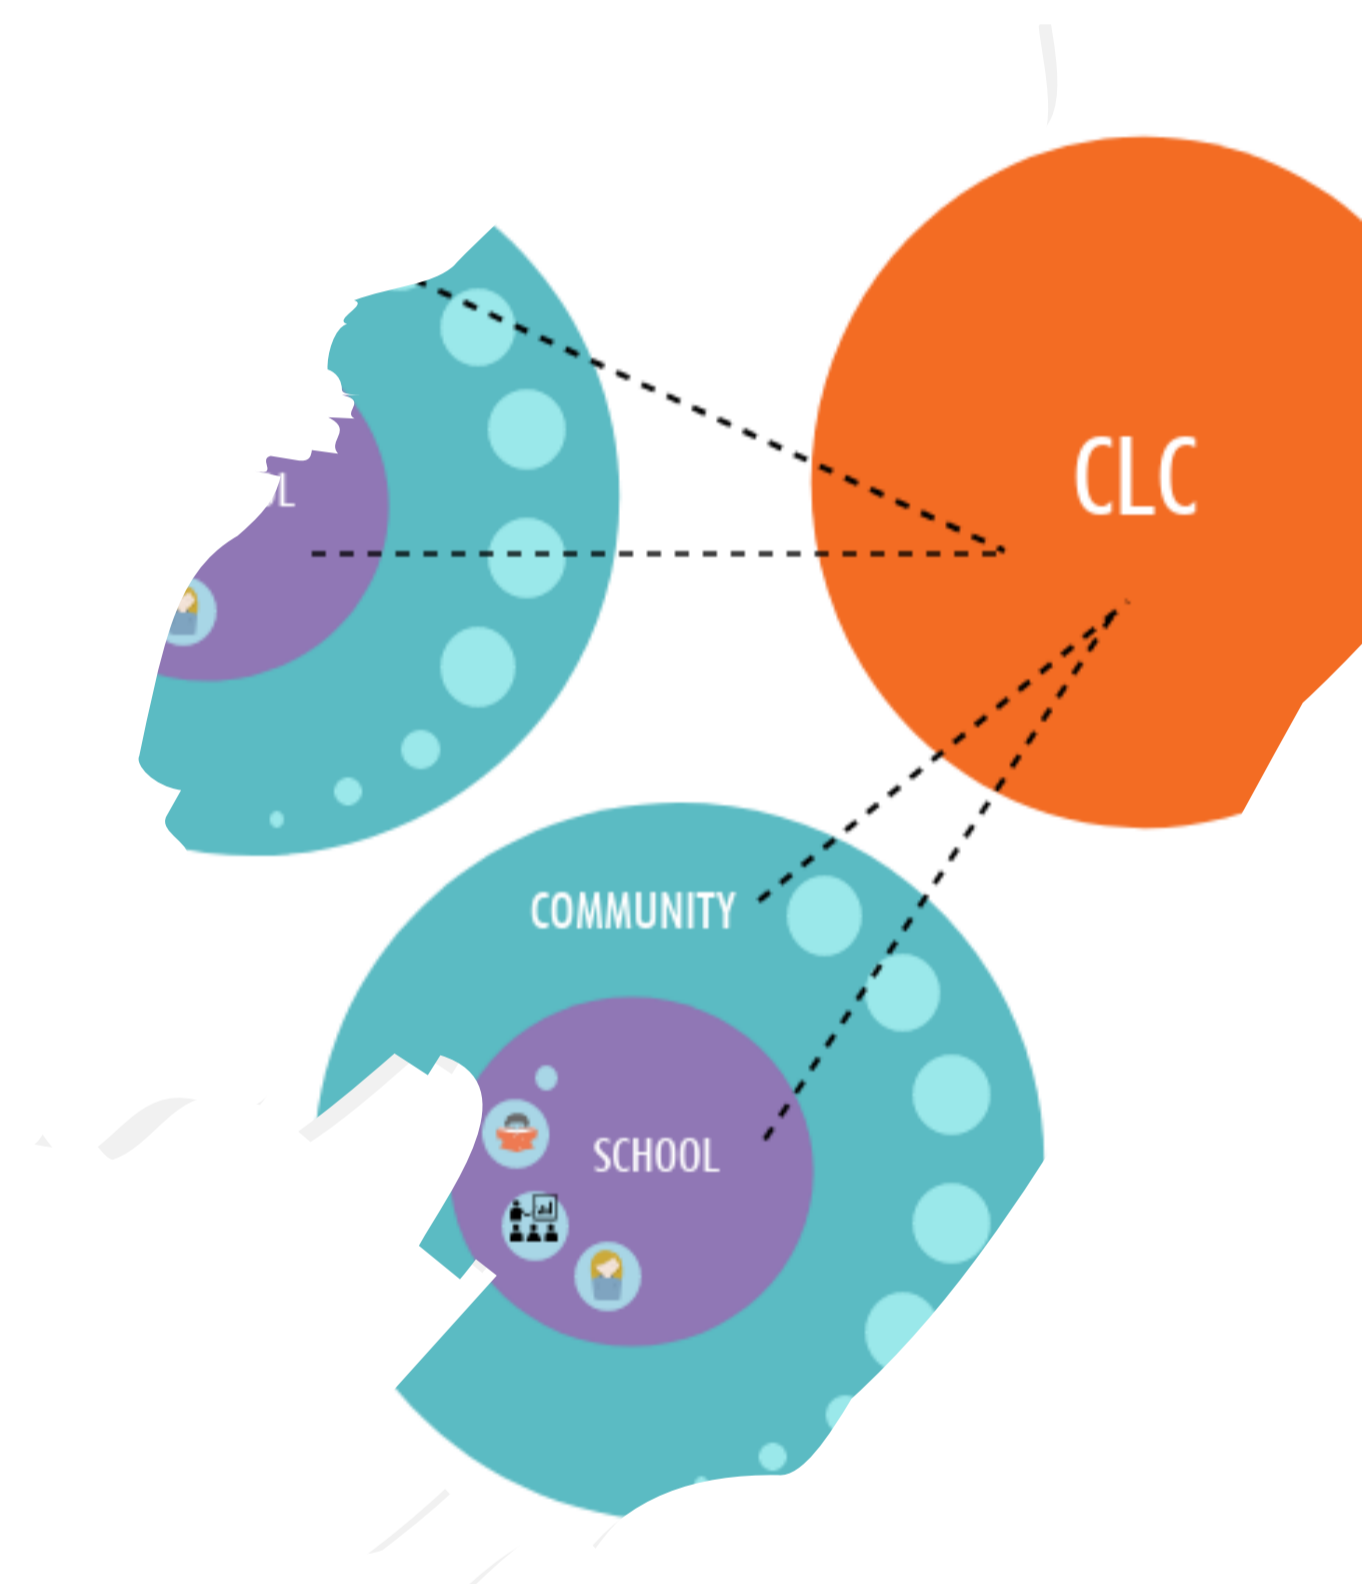

- One school and community
- One vision and plan
- Small number of leaders
- One CDA resource
- CDA task boundaries can be flexible without threatening the achievement of goals

## SINGLE SITE CLC

- Multiple schools and communities (can span multiple MRCs)
- Multiple and distinct plans
- Multiple leaders that work independently from one another
- Shared CDA resource
- Higher need for CDA task boundaries

## MULTI-SITE CLC

- Multiple schools in same geographic area
- One vision and unified plan
- Multiple leaders working in collaboration with one another
- One or more CDA resource

## EXTENDED CLC
