

**Thank you Monalisa Paul and Nolan Godin!**

Y4Y wants to thank Monalisa Paul for her outstanding job this summer as our Interim Project Manager, as well as Nolan Godin's excellent work as our Summer Student (funded by the Canada Summer Jobs Program). We wish them the best of luck in their future endeavors.

**Outaouais Regional Chapter activity at Fab Lab**

Y4Y members from the Outaouais region embarked on a fun journey to the Pontiac Campus of Heritage CEGEP. The Fablab du Jardin is visiting the Pontiac campus this summer and has opened its doors to the public to come in and explore the world of 3-D printing, laser cutting, and much more. It's the first rural Fablab in Quebec.

## **Bishop's Forum (August 10-15)**

Y4Y Quebec was proud to be a partner of this year's Bishop's Forum. This five-day civic leadership institute for English-speaking youth was a wonderful place for participants to discuss and reflect upon the future of our community.

## **The INM (Institut du Nouveau Monde)'s Summer School (August 14-17)**

The INM's Summer School is a fascinating 4-day event that engages youth through workshops, activities and roundtables by experimenting with various forms of citizen participation. By sending 10 English-speaking youth to this activity, our goal is to counter the sentiment of political exclusion that our community faces. Y4Y would like to acknowledge the support of the Secrétariat aux relations avec les québécois d'expression anglaise which made this possible.

### **ELAN (English Language Arts Network)'s AGM (26 August)**

Y4Y Director of Outreach Alex Gordon and Executive Director Adrienne Winrow attended ELAN's fabulous AGM at the Rialto Theater. Here's Adrienne having a wild time with Mario and Kathy, both members of YES Montreal. Y4Y is proud to support the English Language Arts Network in their activities.
