

MEMORY CLINIC

The Rocher-Percé Memory Clinic is an outpatient clinic specializing in the identification, evaluation and treatment of Alzheimer's disease and related cognitive disorders.

The Clinic offers specialized assessment and treatment services to individuals 65 years of age and older or adults under 65 years of age with a cognitive impairment. The approach aims to help the individual and their family maintain autonomy in their own home for as long as possible.

In order to access the Memory Clinic you must have a referral from your doctor. Those who do not have a family doctor can apply for services through the home care desk at the Chandler CLSC.

Services offered include:

- Assessment by a nurse clinician;
- Neuropsychological assessment (diagnosis of fitness, assessment of financial and/or automotive capacity);
- Assessment by the geriatric outpatient clinic physician;
- Pharmacological evaluation;
- Follow-up by a social worker;
- Follow-up by an occupational therapist;
- Follow-up by home care;
- Help and support for caregivers;
- Information, help and referrals related to legal aspects, driving;

For any other information, please contact (418) 689-2572 ext. 5051.
