

Eligibility Requirements

The Bursary Program is open to full-time students from Quebec Regions who:

- are Canadian citizens or permanent residents
- have resided in their Quebec home region for at least 24 months
- are pursuing studies in a government recognized educational institution located INSIDE or OUTSIDE their home region
- are currently accepted into or pursuing full-time studies in a government recognized health and social services program that permits the students to work professionally in Quebec upon completion of studies. Programs of study must prepare students for careers where they will be providing direct care and services
- are registered full-time for the application period's academic year
- have the appropriate English and French language skills to provide health and social services in a health and social services institution in Quebec
- agree to participate in any follow-up, monitoring or evaluation of the Program conducted by Dialogue McGill and / or the community network

Return-for-service

Students selected by MEPEC will be required, following completion of their studies, to work in the Montérégie East region in a public Health and Social Services institution for a minimum of one year per bursary awarded.

MEPEC's mission is to serve the interests of the English-speaking population in the Montérégie East region. To achieve this, we connect, collaborate, communicate, and facilitate with citizens and/or community partners.

CONNECT

Connect with and represent the English-speaking community (ESC) of the Montérégie East

COLLABORATE

Work in collaboration with citizens and/or public, private and community organizations serving the needs of the Montérégie East ESC.

COMMUNICATE

Improve communication between English-speaking citizens in the Montérégie East and local service providers.

FACILITATE

Increase opportunities for English-speaking people of all ages to learn, socialize, and remain active, and facilitate access to English documentation and/or services.

Health & Social Services Bursary

WWW.DIALOGUEMCGILL.CA

MEPEC in collaboration with Dialogue McGill is pleased to provide financial support to students from the Montérégie East region who are pursuing fulltime studies in the area of health and social services.

The purpose of Dialogue McGill's Health and Social Services Bursary Program is to address and support the need for more health and social services professionals with English and French language skills that can provide their services to the English-speaking population in Quebec regions.
