Message from your MP

Dear Friends,

It is an immense pleasure to write to you as your Member of Parliament. Last October, you gave me the honour of electing me to represent you in the House of Commons in Ottawa. Thank you for your support; I will always strive to live up to and exceed your expectations.

I was born and raised in Sainte-Lucie-des-Laurentides and I have been involved in federal politics for many years. Representing our beautiful region in the House of Commons, within a party that has so much to offer Canada and that is supported by a large majority of Quebecers, is an extraordinary honour. Thank you for placing your trust in me.

I would like to take this opportunity to share some news. As you can imagine, these past few months have been very busy. On the one hand, the government is promoting an ambitious plan to stimulate the Canadian economy for the middle class, while modernizing a number of key federal institutions. On the other hand, my team and I have undertaken a number of initiatives to strengthen the voice of our region. Here are some examples:

- ⇒ We have toured Laurentides—Labelle extensively, which has allowed me to meet with 43 municipal councils and dozens of community, political and economic players.
- ⇒ We founded the National Liberal Rural Caucus, bringing together approximately 50 MPs in order to give regions like ours a stronger voice.
- ⇒ We created the new Digital Infrastructure Caucus, in order to shape Canada's digital strategy and work through the problems of rural Internet connectivity that so greatly affect our region; I am the chair of this caucus.
- ⇒ Our team made a strong case to the Department of Finance, which will be making a record investment of \$500 million towards high-speed Internet coverage in rural Canada.

Originaire de Sainte-Lucie-des-Laurentides, c'est pour moi un immense honneur d'avoir été élu pour représenter notre communauté, notre région et l'ensemble de Laurentides—Labelle à la Chambre des communes. Je me ferai un devoir d'être à la hauteur et de dépasser vos attentes. J'ai hâte de vous croiser pendant que je parcourrai la circonscription. N'hésitez pas à me contacter ou à joindre un membre de mon équipe. Nous sommes à votre service. Merci pour votre confiance et votre soutien.

- ⇒ We have opened two constituency offices and have dealt with hundreds of constituent issues related to federal services, such as immigration and family reunification, employment insurance benefits, and grants applications.
- ⇒ I have been appointed acting Deputy House Leader in the House of Commons, supporting the Honourable Dominic Leblanc, who is responsible for the government's parliamentary strategy.

I am confident that these initiatives will help increase our region's visibility in Ottawa and highlight our needs at the federal level. We also believe that Laurentides—Labelle will benefit from some much-anticipated economic and social relief— thanks to massive infrastructure investments, economic reforms to help the middle class, including the Canada Child Benefit, and other measures to make our society fairer and more inclusive.

Of course, our work is just beginning. Over the next few months, I will continue to tour the riding with my team, and I look forward to meeting you. Many of you have already taken the time to write, and I greatly appreciate your comments and suggestions. Please don't hesitate to get in touch with us or to tell us about any events where our presence would be appreciated.

We hope to see you soon!

David
