## **A Change in Leadership Ahead for Townshippers' Association**

**SHERBROOKE, October 25<sup>th</sup>, 2021** – It is with both sadness and gratitude that the Board of Directors at Townshippers' Association must announce that Rachel Hunting will be resigning as the organization's Executive Director.

Rachel joined Townshippers' Association as Executive Director in 2012. Since then, she has helped usher in two new strategic plans through the Board of Directors and staff, built new important strategic partnerships with community and government partners, and helped improve and stabilize operations and organizational processes, among many other accomplishments.

“Rachel leaves Townshippers' Association in a very strong position for continued growth, and we sincerely thank her for her contribution and leadership in her time here. The Board wishes her the best of luck and success in her future endeavors” commented President Gerald Cutting.

Rachel's last day will be Friday, November 5<sup>th</sup> at which point a successor or interim Executive Director will be named. Until then, the board will continue to oversee the process of permanently filling the position. We are confident that the Rachel and the staff will make this a smooth transition for our members, partners, and supporters.

If you have any questions about the transition or the organization, do not hesitate to reach out to the Board of Directors at [Board@townshippers.org](mailto:Board@townshippers.org). Please see the Executive Director job description and posting announcement on the Association's website, under the *Job Bank* tab.
