Academy's repertoire is our Family
Literacy course! This free, online course
is designed for those who interact with
families, such as educators, librarians,
social workers, daycare staff, and other
community workers. This course has
been in the works for a while, and we
are tremendously excited to bring it to
a computer/mobile/tablet screen near
you in the (very) near future!

Holiday Book Giveaway!

Right before LQ's office closure for the holidays, we carried out our annual holiday book giveaway, where we donated boxes of books to various organizations in Montreal who could benefit from them. This year, we gave away 790 books across 7 different organizations! It was no small feat preparing all the books, but the looks on the faces of staff and the people they help certainly made it worth it!
