ELAN's Guy Rodgers elected for another term on Culture Montréal board

At Culture Montréal's Annual General Assembly yesterday, ELAN's Guy Rodgers was elected by acclamation to serve another two-year term on the Board of Directors. As ELAN's official representative, Guy chairs the Diversity Committee and sits on the Committee to Promote the French Language. His presence on the Board will help to ensure that the contributions of English-speaking artists are recognized as an important part of Montréal's cultural vitality. Congrats Guy!
