### Looking for Youth Cultural Ambassadors

The second year of our [You are Here](#) project will kick off soon thanks to renewed funding from the Secretariat for Relations with English-Speaking Quebecers (SRQEA). This initiative aims to strengthen the sense of belonging of English-speaking youth through community events and intergenerational conversations that celebrate culture, heritage, and everything in between.

Activities are organized with the help of Youth Cultural Ambassadors from the following regions: Québec City, Outaouais, Montréal, and the Eastern Townships. If you are between the ages of 16-30 and are a current resident of one of those four regions, the role of Youth Cultural Ambassador could be for you!
