

BULLETIN FOR HEALTH AND WELLBEING

REGIONAL FINANCIAL ASSISTANCE PROGRAM

The purpose of this program is to provide eligible users with financial assistance to obtain health care and services that are not available in the region. In order to qualify for this program, an individual must reside in the Gaspésie and need to travel to a location that is farther than 200km away in order to receive service.

The financial assistance makes it possible to reimburse the user for part of the living and travel expenses to the nearest health and social services network institution capable of providing the required care or services, and the return.

For more information regarding the regional Financial Assistance Program including the full list of eligibility criteria and the claim form, please visit the CISSS de la Gaspésie website. www.cisss-gaspesie.gouv.qc.ca/
