

Upcoming Facebook Lives & Community Engagements

MAY 7, 2025 – FACEBOOK LIVE WITH ENTRE-TIENS AVIGNON

James Robson, CASA's Patient Navigator, recently took part in a special Facebook Live interview with Entre-Tiens Avignon.

This was a wonderful opportunity for members of our English-speaking community to learn more about the valuable services this organization provides, and how they support the well-being of seniors and caregivers.

You can check out the full interview on CASA's Facebook page!

MAY 15, 2025 – CASA AT THE SENIORS' SYMPOSIUM

James Robson will be attending the 9th annual "Colloque Pour le Mieux-Être des Aînés" in Lévis, Québec. This year's theme, "Prevention Approach and Local Services in Health and Social Services," emphasizes the need for collaboration across sectors to help seniors age in good health and dignity. This important gathering brings together professionals, institutions, municipalities, and caregivers to improve services, share knowledge, and build a more connected seniors' support network.

"As Patient Navigator, it's my responsibility to ensure that our English-speaking community is receiving and benefitting from the same services as the rest of Quebec. Attending events like this keeps me informed about best practices and updates in government policy across the province." – James Robson
