These people are keen on Home & School - find out why your membership and participation counts with them.

* Dr. Joel Hartt, Chairman, Lakeshore School Board. What impact can we, as Home & Schoolers have on the issues facing education today? As a school board commissioner, Dr. Hartt knows the importance of community and parental involvement in the issues facing education.

* Mr. Lucien Rossaert, Vice Chairman, Superior Council of Education. How can Home & School province-wide effectively voice its opinion on the issues in education which are important to parents? Mr. Rossaert will outline the means of channelling our concerns through the Superior Council of Education, an advisory body to the government.

* Mr. Tom Bean, Principal, Sunnyside Elem. and Ayers Cliff Elem. Schools. What role does the principal see for the parent volunteer in providing an effective school environment? Always a strong supporter of Home & School, Tom will focus on how, together we can enrich school life.

* Ms. Maureen Lindsay-Morris, President, Lakeshore Teachers Association. The teacher and the parent - two vital links in the educational chain. As a teacher and as a parent Maureen will inform us on how Home & School is an effective mechanism for producing quality education for today's students.
