Black Academic Scholarship Fund

Hello Friends,

This letter is to inform you that due to the disruption being caused by the COVID-19 Pandemic the board of directors of BASF (The Black Academic Scholarship Fund) have thought it best to cancel this year's (2020) Jackie Robinson Golf Tournament.

Last year, in 2019 we had celebrated the 25th anniversary of our golf tournament and awarded scholarships to eight well deserving students, which is the main reason for hosting the golf tournament.

The decision to cancel this year's tournament was not taken lightly. After careful review and surveying some of our golfers, we deemed it would be foolhardy to press forward with what would probably be a losing cause.

We will however be able to offer two scholarships from reserve funds we have on hand. This could be increased if we are able to acquire additional funds from donations. If you would like to make a donation to this worthy cause simply go to our website www.basfund.ca and click on the Donate button on the opening page.

We would like to thank you for your past support and look forward to seeing you at next year's tournament (2021).

Please take some time to view our [scholarship awards brochure](#) with last year's activities.

We sincerely hope you and your family will stay healthy during this pandemic.

Best Regards.

Glen Gunning, Chair of Jackie Robinson Golf Committee
Sylvia Piggott, President, BASF
