THANK YOU TO OUR MCDC VOLUNTEERS

National Volunteer week will be celebrated April 14-20, 2024. Volunteers are on the front lines of our community services - community health care, heritage and arts, administrative committees, community organizations, school life, the list is impressive. Take the time this week to recognize volunteers by saying thank-you. They offer their time, energy, and skills to improve the lives of their neighbours and surroundings. Their hours of service ensure that many events are held and many people are helped.
