## President's Message

Welcome to the 44th Annual General Meeting of QFHSA. We hope that this new one-day format will prove popular and also that the new locale will be conducive to discussion and deliberations of the highest order.

Our conference committees have worked hard since last fall's leadership conference to ensure that this spring AGM is as interesting, instructive and inspirational as those in the past, if not even better.

In this era of change and challenge, of conflicting political ideologies demanding our constant attention, we are hard pressed to remember our primary duty — that of ensuring that our children receive the very best possible — a QUALITY education — an education based on the precepts of justice, fair play, and equality.

May we continue to work, live and learn in a country which respects the rights of its minorities; a province which values diversity and in a spirit which encourages openness and honesty.

Sincerely, Helen Koeppé

**CASPAR ESSELAAR**  
**LESLIE N. BUZZELL AWARD**

for outstanding service to the Quebec Federation

Caspar Esselhaar has served the education community of Montreal with dedication and distinction.

As a parent in the Protestant School Board of Greater Montreal, he began his role as a volunteer while serving as Treasurer for the Stonercroft Elementary Home and School/School Committee. He then served as Vice-Chairman of the PSBM Major School Change Committee and Chairman of Region 2 of the Central Parents' Committee.

During the years that his two children have attended Beechwood Elementary and Rivendale High School, Caspar has served on the Board of Directors of OFSHA as Area Representative from Pierréfonds, as a Vice-President from 1982-83, and Treasurer for three terms, from 1983-1988. In June 1987 he attended the week-long Canadian Home and School Parent Teacher Federation annual meeting in New Brunswick as a national delegate from OFSHA.

To serve as a treasurer of a provincial organization is a task requiring an extraordinary commitment of time and energy. Among the many duties of the treasurer are the preparation of the monthly financial statements and grant applications. As Chairman of the Finance Committee, Caspar has been responsible for submitting the proposed budget to the Annual General Meeting and arranging for the early audit.

OFSHA has been exceedingly fortunate to have had Caspar Esselhaar to lead us through these challenging years. As the voice of fiscal responsibility of a parent volunteer who gives so generously of both his professional expertise and his service to the community.

Muffins provided by EDINBURGH ELEMENTARY (Montreal West) and THORNDALE ELEMENTARY (Montreal West), ROYAL WEST ACADEMY (Montreal West) and MILLINGDON ELEMENTARY (Montreal West), and PLACÉ MATS PROVIDED BY EDINBURGH ELEMENTARY (Montreal West), PLACÉ MATS PROVIDED BY EDINBURGH ELEMENTARY (Montreal West), and NOTRE DAME DE GRACE).

Place mats provided by EDINBURGH ELEMENTARY (Montreal West), PLACÉ MATS PROVIDED BY EDINBURGH ELEMENTARY (Montreal West), and NOTRE DAME DE GRACE).

## GORDON PATERSON AWARD

for outstanding service to the education of children

### PAT BAKER

The Gordon Paterson Award is intended to honour an outstanding educator who has encouraged parent participation in the education of children through school involvement.

Greendale's Home & School Association nominated Pat Baker for this award, saying that Pat Baker's dedication to the students and their parents brought the parents of Greendale "back to school". Pat has the unique ability to make parents feel part of a team; he believes that parent participation in the school leads to a more effective learning environment for all children; he is an enthusiastic supporter of Home & School.

Pat Baker, born and raised in Montreal, attended Sir George Williams University. He received B.A. and B.Com. degrees before continuing his studies at Macdonald College resulting in a Teaching Diploma and, subsequently, a career in education. Over the years, his tireless effort in serving education has been influenced by continuous professional development and academic achievement. His ongoing studies resulted in an M.A. in Education and a Diploma in Educational Administration. Pat has been with the Lakeshore School Board since 1960 in the capacities of teacher, department head and Vice-Principal of Beaconsfield High School and Principal of four elementary schools: Thorndale, Northview, Spring Garden and Greendale.

Pat Baker — husband, father and educator — has generously shared his many talents with his home, school and community and with his peers and employees, his students and their parents.

For outstanding service to the education of children, Quebec Federation of Home & School Associations salutes Pat Baker, a conscientious, creative and successful educator.

## MESSAGE FROM THE NATIONAL PRESIDENT, 1988

### *The Canadian Home and School and Parent-Teacher Federation*

(INCORPORATED)

To the members of the Quebec Federation of Home and School Associations.

I am proud to greet you on behalf of your colleagues in HOME & SCHOOL across Canada.

Our society is in transition — undergoing an explosion of information and escalating stress. Our schools and homes reflect these changes and confront us with challenges. The challenges include illiteracy, child safety, children's self-esteem, child abuse, and changing family structures. We have enormous expectations of both our homes and our schools.

This makes even more important the partnership of parents with teachers in the interests of our students. HOME & SCHOOL must continue to take advantage of opportunities for cooperative participation at the local, provincial and national levels, so that we may share our many resources to build a better tomorrow.

*Doing together that  
which we cannot do alone.*
